CYFA Players' and Cheerleaders' Code of Conduct

- Players and cheerleaders should pay close attention to the coaching staffs during practice sessions or competitive events and refrain from comments other than those beneficial to the event. **The use of profanity and vulgarity can be grounds for expulsion from the team/squad.**
- Players and cheerleaders on the sidelines participating in an on-going game should not play amongst themselves by tossing balls, roughhousing, talking with parents or other participants and the like.
- Football players/Cheerleaders are expected to treat their coaches and trainers as they would any other adult authority figure.
- **Disrespect will not be tolerated.**
- Parents are expected to attend practice sessions and games to monitor the behavior of their child. The coaches are not baby-sitters, nor should they have to contend with an unruly child who is disrupting the performance of the other team members.
- All participants (football and cheer) **MUST** have a responsible party at all practices and games.
- Any participant ejected from a game by the referees will be suspended from participating in the next game. That player/cheerleader may be on the sidelines, OUT of uniform, to assist his/her teammates.

Disciplinary Action

- Disciplinary action accepted by CYFA includes, but is not limited to, running laps at practice, sitting out a portion or all of a game, or removal from a team/squad.
- If a cheerleader has not attended practices or games and is deemed unprepared such as to place the other team members in an unsafe position during half-time that cheerleader, at the coaches discretion, may not be allowed to cheer during said half-time.
- Disciplinary action such as striking a child will not be tolerated, and the Vice-President or Cheerleading Vice President of CYFA should be notified immediately. The offending coach and/or trainer may be removed from their position and unable to coach with CYFA again as outlined in Title 8.
