Cherokee Youth Football Association (CYFA) is a non-profit organization run by volunteers dedicated to teaching the youth in our area the fundamentals of football and cheerleading and to provide the opportunity to participate to all children regardless of their families' financial situation.

We are looking for individuals and businesses in our local area that are interested in contributing a tax-deductible donation to help CYFA provide these opportunities to children grades K-5 for football players and cheerleaders. All donations go to provide uniforms and equipment to football players, uniforms for cheerleaders, paying referees, and funding basic operating expenses for the league.
